

# Occupy the Capitol!

Tell the special legislative session:  
No more cuts! Tax the rich!

Come to Olympia with  
thousands of others  
feeling the pain of cuts  
to jobs, education,  
healthcare and  
human services.

Lawmakers are planning to slash  
another \$2 billion. Instead, they  
must tax corporations and demand  
an end to U.S. wars that destroy  
lives and starve state budgets!

**Rally - Demonstrate - Speak out!**

**Mon., Nov. 28 to Sat., Dec. 3 - and beyond!**
